SCHOOL MEDICATION FORMS

What Parents Need To Know To Have a SCHOOL MEDICATION FORM Completed

- IF patient has NOT been seen within 6 - 9 months, Schedule an Office Visit so the form(s) can be completed accurately. Especially important for EpiPen, Benadryl and Asthma patients.
- Please complete the Form Section “Parent or Legal Guardian” (this is very important).
- Schools typically require one form per medication, check with your school.
- Attach medication name to the form; which office you will pickup form and your best telephone #.
- Form completion may take up to 3-5 business days. Please provide your forms early.
- We do NOT fax or mail any school medication form.
- Form available on our website at LoveMyAllergist.com
- A \$10 Form Fee / Child must be paid at the time the form(s) are submitted. Forms will not be accepted without payment.
